

RESEARCH PAPERS ON WORK PERFORMED AT MOTTE RIMROCK RESERVE

REV 8/00

- Ascanio, Rhoda and Mary V. Price. 1989. Population densities of Stephen's Kangaroo Rats on three sites in Western Riverside County. Report to Riverside County Fish and Game Commission and CDFG.
- Ascanio, Rhoda and Mary V. Price. 1989. Powder tracking *Dipodomys stephensi* for estimation of home range sizes. Report to Riverside County Fish and Game Commission and CDFG.
- Allen, E. B., P. E. Padgett, A. Bytnerowicz, and R. A. Minnich. 1996. Nitrogen deposition effects on coastal sage vegetation of Southern California. *In*: Bytnerowicz, A., M. Arbaugh and S. Schilling, tech. coords. Proceedings of the international symposium on air pollution and climate change effects on forest ecosystems, Riverside, California. General Technical Report PSW-GTR 164, Albany, California. Pacific Southwest Research Station, USDA For. Serv.
- Berhends, Philip R. 1989. Trapping results for the Stephen's and Pacific Kangaroo Rats on the Motte Rimrock Ecological Reserve. Prepared for: Mary Price, Dept. of Biology, UCR. For County of Riverside and CDFG.
- Braden, Gerald, Robert L. McKernan, Stacey Love, and Shawn Powell. 1995. Nesting biology of the coastal California Gnatcatcher (*Polioptila californica californica*) in western Riverside County: 1993-1994. Rept. for the Southwestern Riverside County Multi-species Reserve Management Committee.
- Braden, Gerald T., Robert L. McKernan, and Shawn M. Powell. 1997. Effects of nest parasitism by Brown-headed Cowbird on nesting success of the California Gnatcatcher. *The Condor* 99:858-865.
- Braden, G. T., R. L. McKernan, and S. M. Powell. 1997. Association of within-territory vegetation characteristics and fitness components of California Gnatcatcher. *AUK* 114:601-609.
- Braden, G. T. 1999. Does nest placement affect the fate or productivity of California Gnatcatcher. *AUK* 116:984-993.
- Brattstrom, B., S. Rowlands, and S. Hager. 1990. Progress Report on the status survey of the Orange-throated Whiptail and San Diego Horned Lizard. Report to the Office of Endangered Species, California Dept. of Fish and Game.
- Buffington, M. L. and R. A. Redak. 1998. A comparison of vacuum sampling versus sweep-netting for arthropod biodiversity measurements in California coastal sage scrub. *J. of Insect Conservation* 2:99-106.
