NOTES:
List all K-12 users in "Public Service."
University-level use that is not formal instruction or research (such as retreats, etc.) is "Public Service."
Research that is part of university-level coursework may be counted as both "Research" and "Instruction."

* NGO = non-governmental organization. The United Nations defines NGO as "any non-profit, voluntary citizens' group which is organized on a local, national or international level. Task-oriented and driven by people with a common interest, NGOs perform a variety of services and humanitarian functions, bring citizens' concerns to Governments, monitor policies and encourage political participation at the community level. They provide analysis and expertise, serve as early warning mechanisms and help monitor and implement international agreements. Some are organized around specific issues, such as human rights, the environment or health."
